**Sacred Space** Denise Linn, 2007-12-18 Our homes are mirrors of ourselves. Through them we can interface with the universe. Everything in the universe is composed of constantly changing energy, including your home and its contents. This energy can profoundly influence your ability to be healthy, loving, creative and abundant. By clearing and enhancing this energy you can transform your home into a sanctuary which radiates positive energy in ever-expanding circles. In this fascinating and unusual book, Denise Linn shows you how you can dramatically change your life by changing the environment in your home or office. She combines information from her own Native American heritage with material she has personally collected from native traditions around the world to bring you practical, easy-to-use exercises for balancing the physical, emotional and spiritual energies in your home, including how to: \* Diagnose and solve problems with stagnant home energies. \* Use sacred sound, spirit smoke, mystic symbols and purifying fire for clearing home energy. \* Discover the personal numerology of your home. \* Use the ancient art of Feng Shui for the placement of objects in your home. \* Call house angels and totems as home protectors. \* Use rituals to rid your home of unwanted spirits. \* Instantly uplift the energy in your home. Your home can resonate, sing and pulse with Light energy that can touch the lives of everyone around you. Your home can become Sacred Space.

**Sacred Space** Jill Angelo, 2015-06 SUMMARY: Countless books are available to help you design, decorate or renovate your home. Sacred Space: Turning Your Home into a Sanctuary is something else--something new. Simply put, Sacred Space helps you to uncover the divine within your home and guides you to nurture that divine within you. The more confusing and fractured the world around us becomes, the more crucial it is to have such a sanctuary--a sacred space.

*Spiritual Gardening* Peg Streep, 2003 Explores the creation of a garden sanctuary with practical advice on plant selection, color, creating pathways and gates, and sharing the space with wildlife.

**Landscape as Sacred Space** Steven Lewis, 2005-07-15 Steven Lewis's Landscape as Sacred Space: Metaphors for the Spiritual Journey invites new discussions about our spiritual journeys and allows seekers to rethink approaches to Christian spirituality and theology in light of postmodernity. Landscape metaphors provide a common and accessible language to articulate one's spiritual journey. Spiritual mountains, deserts, and valleys are dominant landscapes on our journey through life. Most people have experienced the joy of a mountaintop spiritual experience, the pain of spiritual deserts, or perhaps the

dreariness too often associated with spiritual valleys. There is a tendency, however, to highlight spiritual mountaintops, while avoiding spiritual deserts and ignoring spiritual valleys. This leaves many Christians ill-equipped either to deal with crises or to integrate God into ordinary life. Each landscape offers rich lessons that, when combined together, lead us toward a maturing faith and into a deeper relationship with God. 'Landscape as Sacred Space' is intended to aid those who search for more meaningful ways to articulate their faith journey. The book grants permission to struggle with life's landscapes, provides safe spaces to reflect on the journey, and introduces language that enables exploration and discovery.

Sacred Space The Irish Jesuits, 2017-10-01 Prayer is the raising of our hearts and minds to God. It is a holy and sacred experience open to everyone. We do not need to be experts in prayer to enjoy the opportunity to grow in prayerful awareness of our friendship with God. Sacred Space: The Prayer Book can lead us into a life of prayer and, in doing so, inspire new expressions and depths of faith. The Scripture, prayers, and reflections in Sacred Space: The Prayer Book will inspire you to a richer daily spiritual experience throughout the liturgical year and invite you to develop a closer relationship with God. Each day of Sacred Space: The Prayer Book includes a Scripture reading and points of reflection, as well as a weekly topic enhanced by six steps of prayer and contemplation: The Presence of God, Freedom, Consciousness, The Word, Conversation, and Conclusion. Sacred Space: The Prayer Book is designed to help you stay faithful to your intention to deepen your spiritual journey. It is the perfect gift for your parish, campus ministry program, small group, friend, family member, or yourself.

**Your Sacred Space** Alba Ambert, 2012-05-07 Your home is more than a place where you are sheltered from the elements, where you retire to rest every night. Your home is a place of infinite possibilities that can facilitate your spiritual connection with the universe. In this insightful and practical book, Dr. Alba Ambert guides you through a detailed process to transform your home into an oasis of peace, harmony, and healing. By following the techniques described in this guide, your home can fulfill its potential and become a sacred space of radiant Light.

*Spiritual Space* Meredith L. Clausen, 1992-01-01 Pietro Belluschi has been for decades one of the foremost modern architects in the country. Renowned for his collaboration on buildings such as the Bank of America in San Francisco and the Pan Am Building and Juilliard School of Music in New York, he first gained national attention for simple, modern, unpretentious houses and churches in the Pacific Northwest.

Your Altar Sandra Kynes, 2007 A reminder of the Divine, a space for spiritual encounter, or a focal point for meditation--the altar is a powerful tool for people of all faiths. Sandra Kynes demonstrates how to create personal altars and empower these sacred spaces according to your needs. Discover how to harness energies to manifest change, make decisions, receive wisdom, find balance, explore your soul, and grow spiritually. Kynes's unique approach provides nine overall matrices--each one corresponding to the number of objects placed on the altar--and the numerological significance of each. You'll also find

suggested meditations and a wealth of helpful information--spanning chakras, colors, days of the week, elements, gemstones, gods/goddesses, runes, and more--for choosing appropriate symbols and objects that reflect your needs.

**Jesus Space** Brenda Cobb Murphy, 2015-11-06 CREATE YOUR OWN PORTAL INTO THE SPIRITUAL REALM! As Christians we can access God anytime and anywhere, but do you know that you can create your own portal into the spiritual realm? I stumbled upon this life-changing concept at a point when I had a busy family with young children in a small apartment. You will find that wonderful things happen when you have your own Jesus space. You'll enter A place where you can instantly be transported into the spiritual realm A world through Holy Spirit that can look physical and feel physical, but is spiritual A realm where you can travel to places unknown to man, experience things physical beings cannot experience, and know a love that is supernatural A space where Jesus comes to hang out with you, to hear your heart, to talk and laugh and get to know you. He tells you things for your ears alone. He tells you how precious you are to Him, He shares secrets, and one of my favorite things to do with Him--He holds you I am going to show you how to create your own Jesus space in your home, even if your physical space is limited. I'll show you how to set up both a physical setting and a spiritual one, where you can enjoy Jesus, not as God-of-the-Universe or as Daddy-God, but as Best Friend and Spouse. This is a place where you create a spiritual portal through your physical Jesus space. Having a Jesus space will change you forever as you laugh, cry, and get to know the One who loves you unconditionally. For those of you that buy this book as a paper version I want to apologize for its length, it's a good lesson for me that since I have many readers who prefer a paper version I need to write longer books! I had planned to focus on eBooks but I feel like that leaves out many of my readers. This is a fairly short book and I wanted to charge a lower price for it but this is the minimum that I'm allowed. I've heard from many of you who have enjoyed this book but in the future I want to give you more for your money, and from now on I promise to write longer books! I read Jesus Space and thoroughly enjoyed it. I loved your whole analogy between a Jesus space and a writer's space. (I love analogies anyway, and I thought that one was great.) I downloaded the Jesus Space book and began tonight. It's so awesome! I love your book on Jesus space. Very encouraging & inspiring. Thank you for your book Jesus Space. I finished it last night. Very good!

**American Sacred Space** David Chidester, Edward T. Linenthal, 1995-11-22 In a series of pioneering studies, this book examines the creation—and the conflict behind the creation—of sacred space in America. The essays in this volume visit places in America where economic, political, and social forces clash over the sacred and the profane, from wilderness areas in the American West to the Mall in Washington, D.C., and they investigate visions of America as sacred space at home and abroad. Here are the beginnings of a new American religious history—told as the story of the contested spaces it has inhabited. The contributors are David Chidester, Matthew Glass, Edward T. Linenthal, Colleen McDannell, Robert S. Michaelsen, Rowland A. Sherrill, and Bron Taylor.

**Sacred Spaces** Margaret Silf, 2014-05-15 There are many books that explore actual, physical, sacred space and pilgrimage sites. This is a different kind of book. It introduces seven traditional 'sacred spaces' but then leads readers into a deeper reflection on what such 'sacred space' means in our own lives and experience. The various sacred spaces explored are: the Celtic Cross; the infinite knot; hilltops; wells and springs; causeways and bridges; thresholds and burial grounds; and boundaries. In each chapter, the author introduces a 'sacred space' as the main theme and then illustrates this by associating it with a particular stage of life and a particular sacramental experience. The ideas are then brought together by means of a scripture story.

*Sharing Sacred Space* Benoît Standaert, 2009 If interreligious dialogue is to bear fruit of mutual understanding, respect, and peace, it needs to be rooted in the specific spiritual space of each religious tradition. For Christians, that milieu is Jesus space, shaped by faith in the paschal mysteries and nurtured by prayer, study, and love. With this as his starting point Benot Standaert invites us to join him as he visits different religious spacethose of Jews, Muslims, Buddhists, and agnosticsto show how we can live in peace with those who dwell in a spiritual space that is different from our own.

*Sacred Space* Monty Wright, 2014-04-15 Are you tired of living a formula faith that leaves you empty, frustrated, and discouraged? We were created to experience so much more of God than most people currently do. However, too often we settle for the A + B = C approach to faith and life-which never truly meets the deep longings of the soul. We have bought into the lie that we will become spiritual people if we simply do the right spiritual things. This has crafted a works-based religious culture that fosters discouragement, disillusionment, and apathy. Sacred Space: - helps us journey deeper than bullet-point Christianity - teaches us how to unmask the shallowness and emptiness of cultural spirituality - shows us how to live connected to God If you long to uncover the secret to cultivating God-space amidst the busyness of life, then prepare to experience the divine movement from information towards transformation. Discover how to free your soul, moment by moment, in the midst of a frantic, noisy world. It's time to revolutionize the way you live out your faith and begin experiencing a God-saturated life-the zoe life of God-from the inside out! It's time to create some sacred space.

*Creating Sacred Space with Feng Shui* Karen Kingston, 1997-01-01 Provides simple and effective techniques on how to create harmony and abundance by clearing and enhancing home and workplace energies, and explains the link between inner peace and the buildings in which we live. Original.

*Sacred Space: A Little Book of Encouragement* The Irish Jesuits, 2021-04-01 Jesus never promised that we would be free of difficulties in this life, that neither suffering nor hardship would cause us pain. What he did promise was to be with us no matter the situation—even to the end of the age. Sacred Space: A Little Book of Encouragement offers seventy short chapters to comfort us with God's presence in the midst of life's challenges and to remind us that Jesus journeys with us step-by-step. Each entry—which includes a Gospel reading, a short reflection, and a prayer—is given a descriptive title so that

readers can easily find the encouragement they need depending on their situation at the time. Lovingly compiled by Vinita Hampton Wright using select material from Sacred Space (the online prayer site that serves millions of spiritual pilgrims), this inviting and reassuring little book gently reminds us of the compassion, care, and calm that God provides in our moments of need.

*Sacred Spaces* Susan Fay, 2019-02-03 Are there silent, yet powerful, ingredients missing from most horse training techniques and riding instruction? In her research of horsemen and women who appear to have a gift with horses, Dr. Fay outlines the invisible things these equestrians do that make their interactions with horses appear effortless. As a research scientist and life-long equestrian, Dr. Fay spent more than two decades searching for scientific explanations for why some people are able to develop seemingly spiritual relationships with horses. She discovered that equestrians with this gift merely know how to use their natural abilities in a way that most of us were never taught. These abilities already exist inside of each one of us, so we merely need understand how to use them. But we also need to be willing to open our eyes and hearts and let go of what we believe is possible. Within the pages of this book, you will gain insights into how you can develop your gift with horses. You will learn how you are unconsciously talking to your horse through your mind and body. But more importantly, you will see how easy it is to turn these unconscious conversations into ones that are meaningful to your horse. This is not a book about animal communication. Instead, this is a guide to using the energy field, along with the power of your own mind and body to influence your horse in a gentle and quiet, yet highly effective way. The principles presented in this book work regardless of the type of horse you have or the discipline you ride. There is no need for special training gadgets because you already have everything you need. Once you begin to implement the principles and see the profound changes in yourself and your horse, you may never view traditional horse-training methods in the same way. Through real life stories and simple exercises, Dr. Fay guides readers to a greater awareness of their untapped abilities. She teaches us how to use our innate gifts to create a sacred space where communion with the horse occurs naturally and spontaneously.

**Sacred Space** M.C. Wright, 2011-09-06 Have you bought into the lie that God demands you follow a performance-based list of “spiritual rules” before you get on His good side? Sacred Space will take you deeper into the presence of God than mere bullet-point Christianity. Great for encouraging Pastors, individuals, or small groups. Discussion questions included. **Breathing Space** Heidi Neumark, 2012-09-04 This book is a song of Thanksgiving. Thanksgiving for the people whose courageous witness has transfigured this community-and this pastor. Thanksgiving for the gift of these stories that cry out to be told and retold because in the midst of death they rise to fill the air with life. Breathing Space is the story of a young woman, Heidi Neumark, and the Hispanic and African-American Lutheran church-aptly named Transfiguration-that took a chance calling on a pastor from a starkly different background. Despite living and working in a milieu of overwhelming

poverty and violence, Neumark and the congregation encounter even more powerful forces of hope and renewal. This is the story of a church and a community creating space for new life and breath in a place where children suffer the highest asthma rates in the nation. It's also the story of a young woman-working, raising her children, and struggling for spiritual breathing space. Through poignant, intimate stories, Neumark charts her journey alongside her parishioners as pastor, church, and community grow in wisdom and together experience transformation.

**Living in the Heart** Drunvalo Melchizedek, 2012-04-27 Long ago we humans used a form of communication and sensing that did not involve the brain in any way; rather, it came from a sacred place within our hearts. What good would it do to find this place again? This is a book of remembering. You have always had this place within your heart, and it is still there now. It existed before creation, and it will exist even after the last star shines its brilliant light. At night when you enter your dreams, you leave your mind and enter the sacred space of your heart. But do you remember? Or do you only remember the dream? Why am I telling you about this something that is fading from our memories? What good would it do to find this place again in a world where the greatest religion is science and the logic of the mind? Don't I know where emotions and feelings are second-class citizens? Yes, I do. But my teachers have asked me to remind you who you really are. You are more than just a human being, much more. For within your heart is a place, a sacred place, where the world can literally be remade through conscious cocreation. If you really want peace of spirit and if you want to return home, I invite you into the beauty of your own heart. With your permission, I will show you what has been shown to me. I will give you the exact instructions to the pathway into your heart where you and God are intimately one. It is your choice. But I must warn you: Within this experience resides great responsibility. Life knows when a spirit is born to the higher worlds, and life will use you as all the great masters who have ever lived have been used. If you read this book and do the meditation and then expect nothing to change in your life, you may get caught spiritually napping. Once you have entered the light of the great darkness, your life will change -- eventually, you will remember who you really are.

**Spaces of Spirituality** Nadia Bartolini, Sara MacKian, Steve Pile, 2018-02-15 Spirituality is, too often, subsumed under the heading of religion and treated as much the same kind of thing. Yet spirituality extends far beyond the spaces of religion. The spiritual makes geography strange, challenging the relationship between the known and the unknown, between the real and the ideal, and prompting exciting possibilities for charting the ineffable spaces of the divine which lie somehow beyond geography. In setting itself that task, this book pushes the boundaries of geographies of religion to bring into direct focus questions of spirituality. By seeing religion through the lens of practice rather than as a set of beliefs, geographies of religion can be interpreted much more widely, bringing a whole range of other spiritual practices and spaces to light. The book is split into three sections, each contextualised with an editors' introduction, to explore the spaces of spiritual practice, the spiritual production of space, and spiritual transformations. This book intends to open to up new questions and approaches

through the theme of spirituality, pushing the boundaries on current topics and introducing innovative new ideas, including esoteric or radical spiritual practices. This landmark book not only captures a significant moment in geographies of spirituality, but acts as a catalyst for future work.
