Janey the Vet Janey Lowes, 2020-03-19 'Janey is like a whirlwind of selflessness. A beautiful spirit in a beautiful country doing a beautiful thing. I encourage my children to be more 'Janey'. With more positive spirits like Janey, the world would be a better place.' - Ben Fogle In 2014 and in her mid-twenties, Janey Lowes had been a vet for just two years when she left her home in County Durham and went travelling. Visiting Sri Lanka, she was horrified to see the state of so many of the island's dogs, in particular the three million strays. Over 5,000 miles from home, Janey decided there and then that she was going to move to the island indefinitely and do everything within her power to help them. She raised £10,000 to get started, setting up a charity called WECare Worldwide, and began work. Frightened, determined and excited all at the same time, she found a local who was willing to work with her and began scouring the streets for dogs in need. Some she patched up as best she could at the roadside, others she brought back and treated in a make-shift surgery she had cobbled together in her new home. With very little equipment, she and her small team came up with new and ingenious ways to treat the animals. In this highly inspiring and heartfelt book full of challenges and adventure, Janey introduces us to her world and the tireless work she carries out. As she says, 'I feel as though all these dogs are my dogs and I have a responsibility to them.' In it, we meet many of the colourful characters who have come to offer help, along with innumerable street dogs who have suffered all sorts of trauma and injury, only to be scooped up by Janey and her team and saved.

Dead of Eve Pam Godwin, 2012 A virus devastates humanity. Few men survive. The rest are monsters. The women are dead, except Evie. Through a quirk in her genetics, she survives. When her physiology begins to evolve, she must come to terms with what she is and accept her role in finding a cure. The mutated hunt her. The men brutalize her...except three. Cryptic warrior, contrite lover, caring enemy; they are fiercely protective of the last living woman, but divided in their own agendas. Can they come together to protect the only hope for humanity? Evie must survive. Content advisory: Guns. Gore. Sex.

The Light from Zion Britt Lode, 2021-07-23 Today there are many people among the nations of the world who are drawn to the Jewish people and desire the sweetness of the Torah and its teachings. It has been difficult for non-Jewish people to find such teachings until now. This groundbreaking book is a collection of essays on the weekly Torah portions and the holidays from twelve leading rabbis of Israel, written specifically to address the interests of a Christian audience. This is

the world's first book of Torah written by Orthodox rabbis especially (but not exclusively) with pro-Israel Christians in mind! These Orthodox rabbis are enabling the fulfillment of the words of Zechariah 8:23: In those days it will happen that ten men, of all the [different] languages of the nations, will take hold, they will take hold of the corner of the garment of a Jewish man, saying, 'Let us go with you, for we have heard that God is with you!'
